Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Online

Brief describe the provision in LMS to be used by HEI :-

The LMS provides learner access to E- Content , Recorded Video lectures, Discussion forums, Assignment Submission (For PG) Online Assessment progress tracking and learner support services.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :- lms.braou.ac.in

Assessment mechanism	The LMS supports online submission of assignments (for PG), quizzes, discussion forums, and continuous assessment activities. While final semester/term-end examinations will be conducted in offline pen-and-paper mode at approved examination centres under university supervision as per University and UGC norms.
Identified technological interface and interoperability	The LMS is web-based and mobile compatible. It is interoperable with university repositories like BRAOUTV, BODHI Channel and HiBRAOU (Radio).
Learner's Authentication Requirements	Learner authentication for online activities is ensured through secure login credentials and registered learner profiles with DEB and APPAR ID. Identity verification for term-end examinations is conducted physically at designated examination centres. / Learner authentication is ensured through secure login credentials, registered mobile/email verification
Learner Registration - through a web application	Learner registration is carried out through the university's existing web-based admission system integrated with admission and fee management services. Applicants are provided with an option to select the Online mode of the programme during registration. After submission of learner details, document verification, and successful digital payment, the verified learner data is forwarded to the LMS team for account creation and course enrolment. Learner accounts are created and enrolled through LMS bulk enrolment, and login credentials are communicated through registered email/mobile.
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	The LMS tracks learner engagement through logs, discussion participation, quiz and assignment submission analytics, course completion reports.
Payment Gateway –using Digital Payment system	The existing BRAOU's admission portal is integrated with a digital payment gateway. Learners admitted to online programmes complete fee payment through the same secure payment system, and payment status is recorded before LMS enrolment
Tracking the delivery of a Course or programme	The LMS monitors content delivery, learner progress, assessment completion, and faculty interaction through analytics and reports.
Technical Know-how or Skills Requirements	Learners require basic digital literacy, internet access, and ability to use web browsers, video conferencing tools, and LMS platforms.
